Notes or Special Requirements:

It is important that only Dulux premium quality paints are used on this project. Inspirations Colour Consultancy services are provided to you in good faith. However, Inspirations and its employees do not accept any liability for any loss including consequential loss, incurred as a result of the Inspirations Colour Consultancy Service. For accurate colour reproduction always use recommended branded products. For best results confirm your colour choices using sample pots, where available.

All surfaces must be properly prepared and be clean, dry and free of mould and loose paint prior to commencement of painting. All technical information in relation to surface preparation and paint systems needs to be verified by Dulux before painting commences. The Dulux Technical Information number is 132525.
